

PDX Latinx Pride is proud to welcome back the 2nd edition of Noche de Arte. This year, in line with the festival theme: Super Queeroes - we're celebrating the LGBTQI2+ heroes de nuestra comunidad and **we invite you to decolonize how our story is told.**

We are looking for art submissions!

We invite all Queer and Trans BIPOC to share creative expressions that dignifies our history, our heroes, our drive, and our strength.

Art that reclaims the heroism in each of us and asserts our truths that aren't echoed in history class. Noche de Arte hopes to honor OUR heroes' place in history and affirm our own identities.

Noche de Arte is a yearly PRIDE event facilitated by femme/gender-nonbinary/trans artists and community leaders. It is a space claimed by Queer and Trans Latinx folx to decolonize our selves, our lives, and our art. Art chosen for Noche de Arte will:

ELIGIBILITY: LGBTQI2+ people of color. All ages are welcomed. Youth are encouraged. Black, trans, GNB, and femmes to the front!

Decentralize machismo
Decentralize whiteness
Decentralize heteronormativity
Decentralize the binary
Decentralize capitalism
And eradicate borders drawn by the colonizers

All mediums and all languages **will be considered.** Storytelling. Dance. Print. Poetry. Painting. Sculpture. ALL OF IT.

Submissions will be reviewed by the Noche de Arte council: a group of queer artists of color volunteering their time to curate this event.

Please write any questions to pdxlatinpride@gmail.com with NOCHE DE ARTE in the subject line.

To apply, please email to pdxlatinpride@gmail.com :

- A description of your proposed artwork (Bonus points for links to past work)
- A description of where you are in the creation process of the piece.
- A brief bio (Bonus points for links to past work)
- A brief description of how your art fits within the theme of Super Queeroes

Applications accepted through June 1, 2018, 8:00 PM. The council will respond to your submission by June 29, 2018 9:00 PM.

Event takes place July 21. Location TBD.
